

A FISHING LICENCE IS MANDATORY

Licence

Authorises fishing on Lake Plate Taille **only by boat**, during the day, with 7 or 2 hand-lines and allows using nets, for **one day**. The number of occupants per boat is limited to **2 people** (one permit per fisherman). The QR code on licence L allows access you to open the barrier giving access to the boat ramp (see map).

15€/fishman

SALES OUTLET

The licence L is available online at www.permisdepeche.be and can be downloaded right away.

WHEN CAN I GO BOAT FISHING ON LAKE PLATE TAILLE ?

Boat fishing on the lake is allowed round the year, from sunrise to sunset. However, during the period from the **3rd Saturday of March to 31st October**, boat fishing is **PROHIBITED** between 9:00 AM and 6:00 PM. During this period, the number of boats is limited to **20 boats per day**.

REGULATIONS

WHAT TYPE OF BOAT CAN I USE ?

Only **rowboats or canoes, with oars or electric motors**, are allowed for boat fishing on the lake.

The following boats are prohibited : Float tubes, kayaks, Zodiacs, or any inflatable or semi-inflatable boats, paddle or pedalo boats, canoes, and other small boats.

Using a backup combustion engine is permitted in case of an electric motor failure. In this case, the speed must not exceed 10 km/h.

SPECIAL INSTRUCTIONS FOR BOAT FISHING ON LAKE PLATE TAILLE

- It is prohibited to take any fish and crayfish caught on the boat.
- **Trolling** is prohibited on the lake.
- Fishing with artificial baits, up to a maximum length of 7 cm, equipped with a single hook, used with equipment specific to fly fishing, is allowed between 1st February and the Friday preceding the 1st Saturday of June.
- Fishing for species belonging to **group 3** is allowed from the 1st Saturday of March to 31st January.

BOAT FISHING ON LAKE PLATE TAILLE

REGULATIONS

WHERE CAN I GO BOAT FISHING ON LAKE PLATE TAILLE ?

- Launching of fishing boats is only permitted from the boat ramp located at the Club de Voile on Rue de Oupia 4 bte 1, 6440 Froidchapelle (see map).
- Parking facilities are available nearby.
- **Zones restricted** for fishing (indicated in red on the map).

TIPS FOR YOUR SAFETY

- Lake Plate Taille is a lake with **variable levels**, which can fluctuate by several meters per day. People using the lake must adapt to this situation, especially in mooring areas.
- Among the 5 lakes that make up the l'Eau d'Heure lake site, Lake Plate Taille is the **highest in altitude**. This means that in the event of strong winds or storms, it is the most affected lake by these weather conditions. It is therefore advisable to take this factor into account before organising your outings.
- Other **sports or recreational** activities are permitted on Lake Plate Taille. Therefore, lake users must respect the rules of coexistence..

The regulations for navigation on waterways is applicable to Lake Plate Taille
